

FREQUENTLY ASKED QUESTIONS

1. Can I sign up multi children and is there a sibling discount?

Yes, you can and there is an option that comes up when you register multi people that will give you the sibling discount

2. Can both kids be on the same device at the same time?

Yes, but only if there is enough space for two set ups so players can see the activities. Otherwise, they can jump on different devices

3. What if I don't have a zoom account?

No problem. As of now, you don't need an account. Just download the Zoom App and you're all set. However, they are changing their rules to prevent hacking (Zoombombing) so you may have to create an account. If so, it's free and takes 2 min to set up.

After the Live Session, we will email it to everyone in case you miss and you can follow along and still do the workout

5. Do I have to do every workout?

No, if you miss a few, it's not a problem. Plus, we understand players have fun and other things going on
